BROWNDALÉ COUNT 1156438

**IMP. COLLYNIE CLIPPER CREST
1259323**

This auction sale, to be held at Lena, Illinois, on September 30th, will release to the public all of the members of one of the most richly bred collections of Scotch Shorthorns in the Country. This herd is Federally Accredited for Tuberculosis and State Accredited for Bangs Disease. There will be 40 head in the sale, to be sold in 30 lots.

Terms and Conditions

Sale will start promptly at 1:00 o'clock. Lunch will be served in the sale pavilion by the ladies of the church.

LOCATION—This auction sale will be held in the sale pavilion at Lena, Illinois, on Friday, September 30, 1938. Lena may be reached by paved roads from every direction and is advantageously located for buyers from all Corn Belt states. Lena is located in northern Illinois, 12 miles northwest of Freeport, on the Illinois Central railroad.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with Carl Brechtel & Son. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers' risk as soon as bid off but the seller will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—This is one of the cleanest herds in Illinois and the health of each animal is guaranteed. The herd is Federally Accredited for Tuberculosis and State Accredited for Bang's Disease. All cattle are sold subject to a 60 day retest for Tuberculosis and health certificates will be supplied to enable them to be shipped into any state or territory.

There is not a doubtful breeder among the females. One cow has a late service date due to the fact that she would not settle until we weaned her calf and this fact will be pointed out on sale day. All other females of breeding age either have calves at foot or show to be in calf and no further breeding guarantee is necessary or granted. The four bulls, including the herd bull Clifton Field Marshal, are sold with a guarantee to be breeders. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and he will be replaced with an animal of equal value or the purchase money refunded. Animals returned to sellers will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between the buyer and Carl Brechtel & Son. Neither the Sale Manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the owners or written from information supplied by the owners.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Hal Longley of The Shorthorn World, H. F. Brant of the Drovers Journal, J. E. Halsey of Wallaces' Farmer, or to the auctioneers.

An Invitation...

Because of conditions that warrant a change in the operation of our farms, we have given much thought to the matter and have decided, with deepest regret, to part with our herd of cattle. As much as we like to associate with our fellow breeders, we have finally decided to disperse the herd at this time. We are sure these cattle will please the buyers. They are clean, being accredited for years for T. B. and Bangs alike. We purchased only the best and no animal was allowed in the herd that was not a good one. The herd is being sold at its highest point of production. The cattle will be presented in good breeding condition and will be just as we represent them. We have individuals and blood lines that we think will please the most critical. We cordially invite all lovers of the Red, White and Roan to be our guests on sale day.

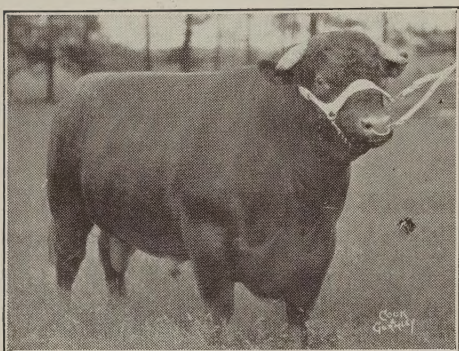

Carl Brechtel, Jr., and
Daughter, Shirley (Ill.)

CARL BRECHTEL & SON.

Because of conditions which warrant a change in the plan of operation of their several farms, Carl Brechtel & Son have decided to completely disperse their herd on Friday, September 30th. This will release to critical buyers all of the members of one of the choicest small herds in the Corn Belt. Those who are familiar with this herd are aware that it has been State Accredited for Bangs Disease for several years and Federally Accredited for Tuberculosis for many years. Furthermore, every female in the herd is a grand individual, a heavy milker and a rapid producer. A study of the pedigrees reveals Scotch ancestry of the very richest. Most of the females are members of five very fashionable tribes that have proved exceptionally prolific, namely, Rosewood, Victoria, Lady Dorothy, Claret and Bessie. Through former herd bulls the blood of Imp. Collynie Clipper Crest, Browndale Count, and Divide Sensation has been strongly infused in the herd and the present herd bull, CLIFTON FIELD MARSHAL, is one of the most successful tried sires of the present day. This bull, one of the best sons of Hercules Field Marhal, was used with great success by H. L. Wernicke & Son after which he was purchased for use in this herd. He is a grand individual, a sire of top herd bulls and is only six years old. Those who like to take advantage of REAL opportunities to buy seed stock that is never offered except under the circumstances that necessitate a dispersion should, by all means, attend this sale.—Hal Longley of The Shorthorn World.

CLIFTON FIELD MARSHAL

A Great Tried Sire—

Clifton Field Marshal 1716586 is right in the prime of his life and is one of the most successful tried sires of the present day. He was purchased as a calf by our neighbor breeder H. L. Wernicke & Son and in this herd he proved a consistent sire of outstanding herd bulls and top foundation heifers. The Wernickes retained a great many of his daughters and as soon as they could release him, we made arrangements to purchase this good bull. In our herd he has continued to sire top calves of either sex as you will be able to observe on sale day. Sons of Clifton Field Marshal are being used with great success in many strong herds. In the herd of W. W. Wright and Sons at Toulon, Illinois, a son of this bull is siring the best calves they ever produced. McLay Bros., noted Shorthorn breeders at Janesville, purchased a son of Clifton Field Marshal that won many top prizes for them including first at the International and grand championship at the Minnesota State Fair. Clifton Field Marshal is now 6 years old. He is the best buy of the year and only in a dispersion sale are such rare herd bull opportunities possible. This bull is already very widely known and immediate recognition will go to the herd of his new owner. He is in excellent condition and will sell with a thorough breeding guarantee.

She is the image of her dam, and has a bull calf in the sale. Look him over. These Lady Dorothys have been tops in our herd and will be in any herd wherever they go. They are great milkers and when you see these fine, grand females I know you will like every one of them. Due to calve December 19th to Clifton Field Marshal.

Rosewood 98th 1787545—Is a young cow that will improve a herd. She has been a regular producer and was unfortunate in losing her 2nd calf with pneumonia. That was as good a prospect as was ever dropped on the farm. Will have another calf sale day.

ROSEWOOD 97th

Rosewood 97th is one of the finest brood cows in the country, perfect in type, a wonderful producer and milker and with a faultless pedigree. Cows like this are seldom offered. She was the second highest priced cow to sell in 1933 and, after producing many choice calves for us, she is still offered in excellent condition. She is very short of leg and with extreme depth of body. Only in a dispersion sale would such a cow be available and she sells now with a very promising roan bull calf at foot by Clifton Field Marshal.

CLARINDA 29th

Clarinda 29th, bred July 12th to Clifton Field Marshal. This cow I consider to be the making of a great cow. She has had one calf. Look her up and judge for yourself. She should have a wonderful calf from this mating. This cow I encountered trouble in settling and had to wean her calf in order to accomplish it. A very dark even roan.

Red, calved Sept. 15, 1937. Bred and owned by Carl Brechtel & Son, Lena, Ill.

Bessie H. 2nd is a very dark red heifer that is of real show calibre. She is one of those great heifers that Clifton Field Marshal so often sires. Don't overlook this young show prospect. She has been rated as among the best. A better balanced heifer will be hard to find and from a great family of cattle.
